HELPING THE HOMELESS SINCE 1990

In 1990 the Soviet Union experiences **economic crisis** and food shortages.

The government introduces **food stamps system** to regulate consumption.

Only people with local registration can get food stamps. **Homeless** and undocumented people are **left without support**.

A group of citizens starts to **distribute stamps** and food to anyone in need.

Throughout its existence Nochlezhka has helped over **100,000 people**

Our mission

- Helping homeless people and those on the verge of homelessness to get back to ordinary life
- Ensuring that an efficient system of homelessness prevention, social rehabilitation and reintegration for the homeless is created in Russia

Around **60 000** people live in the streets of St. Petersburg and **150 000** in Moscow

Since 2012 the **Night Bus** provides homeless people with warm meals and inform them about *Nochlezhka's* rehabilitation programs. Last summer we launched this project in Moscow.

150-200

people receive meals during one tour of the Night Bus in St. Petersburg

16 840

dinners were served to 919 people by volunteers in St. Petersburg in 2021

Project launched with the help of

Diakonie 
Hamburg

Every year we install two **Heated tents** that help hundreds to preserve health and life during the coldest season of the year. This project also serves as an entry point into Nochlezhka's rehabilitation programs.

Last year
752 people spent
10 266 nights in Heated
tents

50
people can sleep safely in each
tent

In 2021 **The Church of Jesus
Christ of Latter-day Saints**
helped us to buy 2 new tents

Hygiene project “**Neravnodush**” is a place where anyone in need can take a shower, wash and dry one’s clothes free of charge. In Moscow project we introduced women days since 2021.

The **Night shelter** is a low-threshold shelter available all year round. Here anyone can get a warm meal, a shower and a medical consultation as well as take part in an AA group meeting.

40

people sleep at the night shelter every night

712 people spent

13 917 nights
in the night shelter in 2021

The background image shows two men in winter attire, including heavy jackets and beanies, working in a laundry facility. They are standing at a table, sorting through dark-colored clothing. Behind them are white shelves with several clear plastic bins. The walls are painted a vibrant green. The scene is brightly lit, likely by overhead fluorescent lights.

Our **Cultural laundry** is the first free laundry for homeless people in Russia. Helping people to be clean is one of the first steps to help them get off the streets.

30-50

people come to the laundry every day

846 people made

3655 laundries in 2021

Lawyers, psychologists and social workers from our **Consulting service** help homeless people to get back to ordinary life in Moscow and St.Petersburg. 55% of those who completed *Nochlezhka's* resocialization programs got off the streets.

50 -70

people get consultations daily

10 065 consultations

were delivered to

3 423 people in 2021 in both cities
